

Hello members and friends of Maynard Knights of Columbus 2121

The council voted a donation of \$1,000 to the Maynard Food Pantry to help the many in desperate need.

Today I submitted the State Raffle Tickets and a check from the treasurer to the Massachusetts State Knights of Columbus. I had to send it overnight at a cost of 26.35 in order to make them arrive in time for the State Convention this weekend.

I also submitted the same officers for next year as we had for this year except for Forest Shaw who died. There is an open position for a trustee. If you know of someone who would like to serve at that position, please let the Grand Knight know.

We are still in business and are having virtual meetings via ZOOM. If you have internet you most likely can participate. ZOOM is free and runs on most computers and smart phones. We are meeting on the second and fourth Tuesday. If you need more information send Richard Horst an email.

Please stay safe and wear a face mask and practice social distancing.

Please let your State Rep know you want the Churches open with what ever restrictions are needed to make it safe. If gun shops can be open because of the constitutional right to bare arms than churches should be able to be open because of the constitutional right to freedom of religion.

May God be with You. Stephen Pomfret, Financial Secretary, Maynard Knights of Columbus 2121.
